## CORONAVIRUS PLAN?

**“Should I bring my mother home from assisted living?”**

**“Is it safe for dad to still have his caregivers coming into the house?”**

**“How will we care for mom and dad if they get sick?”**

A **Coronavirus Plan** gives you the opportunity to talk with a local expert in eldercare and aging well to ask specific questions and create an action plan tailored to your unique situation.

Sage Advice Care Management is intimately aware of the special needs and pressures faced by older adults and their families. We can advise about best strategies given your families needs and resources. We have strong relationships with local providers to ensure the best fit to meet your needs.

**Here is how the planning session works:**

- We have a free 15-minute get-acquainted call
- You send pertinent information to us to review ahead of time
- We have a 90-minute phone call with up to two parties/phone numbers participating
- We address your three primary concerns
- We discuss safety issues in your loved one’s current situation
- We strategize about possible scenarios and wisest options which may include:

*What if they become sick?*

*What if people around them become sick ?*

*What if they need to go to the hospital?*

- We provide a written summary of the call
- You have access to our Coronavirus Resource page with up-to-date handouts and links
