

## Our Core Values

### Culture of Grace

#### Love:

Showing compassion and affection to all people  
with unconditional positive regard

#### Joy:

Having a gladness despite circumstances and exuberance about our work,  
fixing our thoughts on what is true, honorable, right and worthy of praise

#### Peace:

Maintaining the presence of tranquility even while in a place of chaos  
Promoting a state of security, order and harmony in our community  
with a peace that passes all comprehension

#### Patience

Having loyalty and commitment to serve and do good work  
with perseverance and steadfastness

#### Gentleness

Honoring all people, not forcing our ways upon others,  
having grace and humility with overflowing goodness

#### Integrity:

Being sincere, purposeful and united in all our actions,  
using sound judgment, fairness and honesty

#### Commitment:

Having loyalty and perseverance to care, serve and do good work

### VISION STATEMENT:

We will bring hope, wisdom and resources to  
satisfy unmet needs, promote harmony  
and facilitate the restoration of families and communities.

With high ethical standards, innovative practices and effective service delivery,  
we will be a leader in the social service and health care industries.

### MISSION STATEMENT

Our mission is to  
bring light into difficult situations and provide solutions,  
give compassion, direction and care  
to restore a secure and purposeful life,  
renewing hope and peace for individuals and families.
